FASTSTEP MAY STEP UP ON STEWARDS' CUP SECOND

By BOUVERIE

EIGHT members of the Stewards' Cup field in Shalfleet, Neuvy, Davy Dolittle, Faststep, Lynedoch, Mixture, Harmachis and Genesis can meet again in the Stewards' Handicap at Nottingham to-day.

Among this little lot a good display can be expected from Faststep, Neuvy and Harmachis. The last-named was bumped at the start of the Stewards' Cup, and but for this would have been closer to Knight's Caprice. For the winner, however, I prefer Faststep. Gordon Richards will be in the saddle.

There will be keen competition for the Three-Year-Old Handicap at Folkestone. Devoto has been reserved for this race, and must hold an excellent chance on his running at Thirsk.

Closing in 1937 with 237 subscribers, the Nottinghamshire Breeders' Foal Plate is one of those "hit-or-miss" events. But it was satisfactory to find fifteen runners yesterday, and Fred Templeman adding to recent successes with Prince Tetra.

F. Templeman.

Since being beaten a short head by Battling Jean at Doncaster, Prince Tetra was reported to have done well, and the son of Tetratema was installed favourite. Nizami was regarded as the danger, and the summing-up worked out right.

There were many admirers round the unsaddling enclosure after Prince Tetra had given a sterling performance. His victory was chiefly due to the fine riding of Gordon Richards, but no fault could be found with the way Prince Tetra did his work.

Gordon Richards put up 5lb. overweight to ride Musical Maid in the Bentinck Plate, but his mount weakened in the last furlong. R. Lacey, who was successful on Roetia, now requires five more winners before losing the allowance.

After being out of touch with success since winning the Marcus Beresford Stakes at Sandown in April, Cimon found his task in the Nottinghamshire Handicap well within his compass.

First favourites did not come up to the mark for holiday racegoers at Folkestone. Lovely Maid was the only clear one to score, and she started at 7 to 4 on.

Bouverie's One Over the Eight

Bouverie gave nine winners yesterday, including the Tote Double at Redcar, which paid £19 6s. to 10s., and also his own nap and double at Nottingham. The winners were:

ROYAL OAK (8-1), ROSSINVER (7-2), DARK VINTAGE (5-2), PRINCE TETRA (7-4), DAME AGATHA (5-4), OUBLIETTE (4-5), VINTAGE PORT (4-5), SAINT ANDREWS II (4-7) and LOVELY MAID (4-7).

Oubliette was Bouverie's nap selection, and Prince Tetra completed his double.

INTER-TRACK RACES AS CLAPTON'S TIT-BIT

By GEOFREY MILLIER

INTER-TRACK races provide a diversion from graded racing, but as surprise results are more likely in this type of event, I should advise moderation in the two races at Clapton to-night.

The Walthamstow visitors have a hard task, but I think they may win both races with Proof Spirit II and Marmora.

Catford have their usual well-graded card, but Thurza B., Cranwade and Poetic Bluff can be supported with some confidence. Selections:

KENT CYCLIST'S BID

CRACK cyclist of Kentish Wheelers, H. H. Hill has decided to represent Britain in the Grand Prix des Nations, the French international 87½-mile time trial to be held next month.

In preliminary training runs Hill has covered the distance over a hilly out-and-home route in 3h. 47m.—over twenty-three miles an hour, and faster than H. Earnshaw's British competition record.
