TOP REPAINTING & HAIRING!! Low prices for high quality work! I've been repainting for about 2 years & think I'm in the top ranks but just have to make it 'known'. Sample pic of any color, send SASE & 50¢ per pic (refunded when pic returned). If you have questions about anything, send SASE. When you have a horse rep, I'd prefer you also have hairing done since it looks so much more realistic. Specify markings or no markings, unless you want me to do my own which is fine too. If you wish when ordering Pintos, sketch a rough diagram of pattern. Always enclose enough postage the model to send back. Will also take 35mm pix EP,h/j,Eng. trail,WP; W.Trail, harness, bareback, sadst., Arab or Indian cos., of your rep. for 50¢ each & SASE. Please, no ceramics or chinas!
