THE MODEL HORSE SHOWER'S JOURNAL

November --1976

Welcome all once again to the realm of the mini-equine. Got a few notes to cover here so please read. How about the MHSJ listing all stable/farm names with their owner's names in a future issue? This should serve to avoid confusion in the future in duplication of names. If you want to be listed, send your name & stable name to LW...Please send column articles directly to the column writer, not to me. If the column hasn't got an address listed for it, then it is filled currently...Please don't send me Canadian currency for payments because it cannot be exchanged here. This does not apply to my Canadian readers though...Well, time to hit those shows, so I'll see you in the results, and take care. HAPPY THANKSGIVING!
