CHAMPION BANTAM NEW HARRISON

Jim Higgins Outpointed and Knocked Out in the Kins (Ongar S.C.), B. Bragg (Etna C.C.), S. Thirteenth Round at the Liverpool Stadium.

JOE FOX WILLING TO MEET FRUSH.

Another boxing championship changed hands last night. In a twenty-rounds bout for the bantam-weight title at the Liverpool Stadium Tonimy Harrison, of Hanley, knocked out Jim Higgins, the holder, in the thirteenth round. It was a scrambling bout, but hard fought and exciting throughout.

Higgins Down in First Round.—Harrison had some difficulty in doing the weight. But his victory was a clean-cut one. He was the better man from the time the pair entered the ring.

Higgins Down in First Round.—Harrison had some difficulty in doing the weight. But his victory was a clean-cut one. He was the better man from the time the pair entered the ring. He put Higgins down in the first round with a right hook to the jaw for a count of nine, and although Higgins did well at close quarters, he was out-boxed in the long-range work.

Much Wrestling.—Higgins was down for several counts before the end, and the contest was not of the cleanest. Harrison was twice cautioned for wrestling, and Higgins once or twice landed rather low blows. All through it was a hard, gruelling battle, with the better man the winner.

Surprising Result.—The result was surprising, for Harrison's victory over Ledonx in their first meeting had been regarded as. a bit of a fluke, and when Ledoux beat Harrison and regained the European title it was felt that he would not have a great chance with Higgins. He must have improved a lot in recent months. His friends had claimed it for him, but in boxing matches we are ant to be sceptical. Harrison, however, fully proved his worth last night. Surprising Result.—The result was surprising,

Will Frush Meet Fox?—Seeing that an attempt is being made in London to press the claims of the East End feather-weight, Danny Frush, for a Lonsdale belt fight with the present holder, Joe Fox (Leeds), a Daily Mirror representative interviewed Fox manager, Mr. Harry Dorsey, in Leeds, on the subject. Mr. Dorsey says Fox will be quite willing to meet Frush directly the committee of the N.S.C. say the word, but the feeling is that Frush had better come to England to do his talking, and it would be as well if he won his spurs by beating men of the calibre of Mick McAdam (Glasgow), who is in the line for the next belt fight at 9st.

Feathers Champion for Australia.—Meanwhile Fox is expecting to meet Jimmy O'Don-LONDON AMUSEMENTS.

This is the sixty-first
"offence" of the same
kind that Perrin has
been guilty of, and to-

been guilty of, and to-day his style is as graceful and easy and his driving as clean as when, at Chesterfield in 1904, he compiled that huge score of 343 against Derbyshire, which stands as the highest of his career. With men like Perrin, Douglas, Russell, Freeman and E. W. Gilligan to call upon it is hard to understand why Essex do not make a braver show in the championship.

Perrin's Discovery.—C. J. Jenkinson, son of the Mayor of Honnsey, the North Middlesex C.C. wicket-keeper, has been myited to play for Essex against Hampshire this week at Portsmouth. Percy Perrin, who played for the M.C.C. against North Middlesex in the latter's cricket week, was much impressed with Jenkinson's ability with the gloves, and, finding that he had an Essex qualification, he used his influence to secure for him a county trial.

CYCLING CRACKS AT LEE.

To-night's Cycling.—The five miles invitation scratch cycle race, which figured in the programme of the Ravenbourne sports at Lee on Saturday but was postponed owing to the heavy rain, will be decided to-night on the same ground at Eitham-road at seven o'clock. Owing to non-arrival on Saturday, the original field of twelve suffered several alterations, with the result that to-night's race is likely to be contested by:—A. G. M. Oakes (Polytechnic C.C.), H. E. Fuller (Marlborough A.C.), W. G. Stewart (Kentish Wheelers), D. H. Genner (Kentish Wheelers), R. H. Clarke (Poly C.C.), H. G. Bramwell (Catford C.C.), T. Harvey (Catford

Mad Football Finance.—When the annual meeting of the Sunderland Football Club is held to-morrow night there should be some pretty plain speaking. The financial statement that gross income amounted last season to over £42,183, yet there was a loss on the year's working of more than £15,698, and of that £18,083 is put down to "expense in obtaining new players." There is an overdraft of £8,439, due to the bank. This appears to be neither sport nor business.

Billiards for St. Dunstan's.—Mr. Harry Young will referce the semi-final and final heats of the St. Dunstan's Billiard Tournament promoted by the Brighton County Club to-night. The heats are 100 up for the Harry Sagar Cup and other prizes. The semi-finalists with the draw are: Major R. W. Bristow (rec. 8) v. Mr. A. Goldwater (rec. 5), Mr. J. Johnsen (rec. 25) v. Mr. Mark Wood (rec. 20).

Thornton Cup Golf.-In the semi-final round of the inter-club competition for the challenge cup presented by Sir Henry Thornton, Romford beat Hord at Romford by 10½ points to 1½. Romford won the foursomes by 3 matches to 1 and the singles by 7½ to ½.

DAVIS CUP LAWN TENNIS.

Czecho-Slovakian Decision,-G. L. Patterson, Czecho-Slovakian Decision.—G. L. Patterson, of the Australasian Davis Cup team, received a cable yesterday from Czecho-Slovakia stating that they are coming over to England to play Australasia in the second round. The match will take place on July 13, 14 and 15, and the probable ground is Scarborough. In the event of Australasia winning, which is a moral certainty, France has intimated that she desires the semi-final tie to be played in England.

Australia's Wishes.—The Australasians, who have booked their passage for America on July 19, are desirous, in the event of winning the previous round, of meeting France in the United States: A meeting of the National Association of America is being held to-day to decide the venue of this tie.

Rheumatism Left Him As If By Magic!

"I am eighty-three years old, and I doctored for rheumatism over since I came out of the army over fifty years ago," writes J. B. Ashelman. "Like many others, I spent money freely for so-called 'cures,' and I have read about 'Uric Acid' until I could almost taste it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now, as if by magic, I am again in active business, and can walk with ease or write all day with comfort. Friends are surprised at the change."

HOW IT HAPPENED.

Mr. Ashelman is only one of thousands who suffered for years, owing to the general belief in the old, false theory that "Urio Acid" causes rheumatism. This erroneous belief induced him and legions of unfortunate men and women to take wrong treatments. You might just as well attempt to put out a fire with oil as to try and get rid of your rheumatism, neuritis, and like complainte, by taking treatments supposed to drive Uric Acid out of your blood and body. Many physicians and scientists now know that Uric Acid never did, never can and never will cause rheumatism; that it is a natural and necessary constituent of the blood; that it is found in every newborn babe; and that without it we could not live!

These statements may seem strange to some folks, who have all along been led to believe in the old "Uric Acid" humbug. It took Mr. Ashelman fifty years to find out this truth. He learned how to get rid of the true cause of his rheumatism, other disorders, and recover his strength from "The Inner Mysteries," a remarkable book now being distributed free by an American authority who devoted particular trouble.

NOTE—If any reader of the "Daily Mirror" wishes the book that reveals these facts regarding the true cause and cure of rheumatism, facts that were overlooked by doctors and scientists for centuries past, simply send & postcard or letter to H. P. Clearwater, No. 917 I. Street, Hallowell, Maine, U.S.A., and it will be sent by return post without any charge whatever. Cut out this notice lest you forget! If not a sufferer yourself hand this good news to some afflicted friend.
