SURREY WIN AND RETAIN THE LEAD GAMA

Victory Over Lancashire Improves Position of Oval some real effort made towards clearing up the feather-weight tangle. Team-Notts Still Close Up Second.

CRIQUI'S REPLY TO HIS CHALLENGERS.

Surrey defeated Laneashire and Notts beat Sussex yesterday, and Surrey remain at the top of the table with a percentage of 80.00. Notts retain second place with 77.50. Notts meet Essex at Nottingham to-day and, having already beaten the Leyton team, should win again. Then on Saturday the battle at Blackheath between Kent and Surrey will be a great attraction.

Surrey's Unhappy Ground.—Surrey invariably have a bad time of it at Blackheath and Kent will be warm favourites. When the two matches mentioned are a thing of the past and if anticipations are realised, Notts will head the championship table with 78.82 and Surrey's figures will be 74.66. It is a case of wait and see.

* * * have been beaten by Surrey, Lancashire and

Middlesex.

Northants and Haywood.—Northants Cricket Club have received a letter from R. Haywood stating that, as the vacation at Fettes College has commenced, he could, if desired, play for Northants against Essex at Southend on Saturday and in the remaining matches of the season. The committee have informed Haywood that if he cares to accept a permanent place in the team, such is open to him on terms to be arranged, but that failing accept ance of this offer they will not play him. The reason given is that Haywood took the post at Fettes last September before the club was reconstructed and at a time when the future of the county appeared very uncertain.

Coat and Badge Race.—Nine scullers will compete for the Kingston Coat and Badge, the gift

of Mr. J. G. D. Campbell, M.P., at Kingston-on-Thames Regatta to-day. Bert Barry (Twicken-ham) secured the event last year, defeating H. J. Cole (18kworth). The latter is again a competitor, the others being T. H. Barnes (Twickenham), H. L. Biffen (Hammersmith), L. A. Bligh (Richmond), C. Green (Barnes), W. Joyce (Brentford), H. G. Lee (Twickenham) F. W. New (Richmond) and W. Peters (Chiswick). wick).

MOODY'S FORM.

Promising Hull Boxer.—Hull has not produced many boxers of the championship class, but there is a young middle-weight coming

along nicely whom his fellow townsmen consider to be a champion in the making.

This is Harry Moody, who before becoming a professional was the "middles" champion of the Air Force and anyteur, champion of

"middles" champion of the Air Force and amateur champion of the North. Since he hecame a "pro" Moody has won most of his contests and certainly shapes like a good fighter. He should get a real tryout at Liverpool Stadium to-morrow when he meets the Australian, Bert O'Neill, who is a very useful boxer with a good left hand.

Criqui's Reply.—"Criqui is ready to box Fox, Mick McAdam, Billy Matthews, Danny Frush, or any other feather-weight, for the best purse offered in England or France and for any amount of money." In this sweeping fashion M. Eudeline has replied to the many challenges received by the French feather-weight champion during the past few weeks. Now that Criqui has made a move, perhaps there will be

The Present Tangle.—At present everything is at sixes and sevens. Kilbane has been relieved of the world's championship by the New York Boxing Commission, and Johnny Dundee, of America, and Danny Frush, of England, are to meet for the title. In Europe, Matthews, of England, holds the European title, Fox the English championship, Criqui the French title and Wyns the Belgian, Criqui claims that he is the real European title-holder because Matthews is not champion of his own country, and he (Crinot champion of his own country, and he (Criqui) has beaten both the English and Belgian champions. Matthews, however, undoubtedly won the honour when he beat Wyns at Liverpool when the latter was champion.

If Frush Wins.—The situation will be even more extraordinary if Danny Frush beats Dundee. The world and European titles will then both be held by Englishn:—n, neither of whom will be champion of England! The best way, to clear up the situation would be for Fox and Matthews to meet for the European and English championships. The winner could then meet Criqui, and the victor in that bout would be the logical opponent for the winner of the Frush-Dundee fight in a match for the world's championship.
