BRITISH GOLFERS DOING WELL IN U.S.A.

Hunter's Victory in First Round of Amateur Championship—Tolley and Torrance Leading.

FRENCH CHAMPION'S CHALLENGE TO RICE

Four British players-Cyril Tolley, W. B. Torrance, C. C. Aylmer, and W. I. Hunter-qualified for the match play stages of the American amateur golf championship on the Brookline course. Play is taking place over 36 holes and, according to a Reuter message re-ceived last night, W. I. Hunter has qualified for the second round.

Willie Hunter's Victory.-W. I. Hunter, of Walmer and Kingsdown, played brilliant golf and defeated L. M. Lloyd (Greenwich, Con-necticut) by 11 up and 9 to play. W. B. Tor-rance (Edinburgh Burgess) also did well and established a lead of six holes over R. E. Knepper (Sioux City, Iowa), at the end of the first round. first round.

* * * Tolley Doing Well.—Cyril J. H. Tolley, of the Royal and Ancient club, was seen at his best against F. Newton, a local player, and the Britisher was seven up at the end of the first round. The other Englishman, Colin C. Aylmer, of Ranelagh, was opposed to Francis Ouimet, of Woodland, Mass, and the American was five up at the end of 18 holes.

"Bobby " Jones Only Square.—One of the sur-prises of the early play was the fact that "Bobby "Jones was only square with Beadle, a player whose reputation as a world golfer is utterly swamped by that of the youthful Jones. Guilford, the holder, was 4 up on M. A. Greer at the end of eighteen holes,

Qualifying Competition.—In the qualifying competition, W. I. Hunter only just got through after a tie. Cyril Tolley was one of the first to make certain of his place when he came in with a second round of 74 for an aggregate of 148. Torrance took 157 and Colin Aylmer 159. Hunter and others had to play off for three places. His score was 162. × .

Wethered's Poor Score.—It was confidently expected that Roger Wethered would make some amend for his poor round of 83 on Satur-day, but he took 81, and an aggregate of 164. Bobby Jones (Atlanta) and Jesse Guilford bome amend for his poor to a aggregate of 104. day, but he took 81, and an aggregate of 104. Bobby Jones (Atlanta) and Jesse Guilford (Woodland), the holder of the title, headed the list with 144.

starts to-day at Ascot. The aspirants to the title, which is held by A. D. D. Mathieson (Edinburgh), come from all over the kingdom, and there are two foreign competitors—Pierre Manuevrier (France) and Count de Borchgrave (Belgium). Manuevrier, a pupil of Arnaud Massy, has been round the St. Jean de Luz course in the low score of 69.

This is Kenneth Wilson, of Bradforc, who, though only seven-teen years of age, has won the Yorkshire 440 yards championship for three years in succes-sion. He gained his third victory at Bradford in the creditable time of 6min. 5sec., those be-hind him including G. H. Webster (Sheffield), thrice winner of an English championship. ¥

Representatives from the Stock Exchange, London banks and insurance offices will compete for a challenge trophy.
