# MANY SUCCESSES FOR WOMEN OWNERS AT DERBY

# Weights for Cesarewitch and Cambridgeshire.

# WHITE ANT WINS.

### Sequence of Outsiders at Prices from Tens to Twenties.

There was some remarkable racing at the final stage of the Derby meeting. Three of the events on the card fell to women owners, and outsiders won throughout the afternoon. Other important happenings

Golf.—C. J. H. Tolley, Britain's last hope, was beaten in the U.S. amateur golf champion ship.

Cricket.—Gentlemen had first innings against Players at Scarborough. J. W. H. T. Douglas batted well for the amateurs.

# AUTUMN HANDICAPS.

#### Remarkable Success of Outsiders at Derby's Final Stage.

The weights for the Cesarewitch and Cambridgeshire came to hand yesterday. The acceptances will be published next week, and only a glance of Mr. Dawkins' work is necessary at this stage

Kircubbin heads the Cesarewitch with 9st. 5lb., and here I may state that he is yery much fancied for the big race in Spain on Sunday. Many, people will scan the list for Tishy, who was favourite last year and finished down the course. She has 7st.

A likely candidate is sure to spring from Alec Taylor's lot. Air Ballcon has 9st. 1lb., Juniso 8st. 1lb., Manton 7st. 9lb., East Tor 6st. 1llb., Galaciella 6st. 3lb. and Tomatin 6st. 2lb. Reggie Day also has a very strong hand, and Ceylon-

ese, with 7st. Ilb., strikes the eye. Bracket has 8st. 4lb., but no horse has ever won the Cesare witch twice. Actanati is not badly weighted with 6st. Illb., and Vilna, who has been a street-corner tip for some time, should accept with 7st. 3lb.

Orpheus is awarded 9st. 6lb. in the Cambridgeshire, and turning to the placed horses of last year, Milenko has 7st 9lb., Leighton 8st. 6lb. and Franklin 8st. 7lb. Alec Taylor can also play from a strong hand in this race, and Gilpin, R. Day and Leach have useful problems to solve.

Mr. James White's recovered.

Mr. James White's representative is certain to solve.

Mr. James White's representative is certain to play a prominent part, at any rate, in the wagering. He has Pharmacie, 8st. 21b.; Granely, 7st. 13lb.; Clochnaben, 7st. 5lb.; Norseman, 7st. 5lb., and Sanhedrim, 6st. 13lb.; to choose from. Condover, with 7st. 13lb., and Aclare, 7st. 7lb., should be among the contents."

st. Leger sensations yesterday were conspicuous by their absence. Ramus had a very smooth journey on his way from France. He leaves for the north this morning.

# DERBY INCIDENTS.

DERBY INCIDENTS.

Women owners were very much to the fore at Derby yesterday Miss Keyser won the opening race with Wellwisher, Mrs. A. Bendir, secured the Elvaston Nursery with Skias, and last, but not least, Mrs. Arthur James carried off the Peveril of the Peak Plate with White Ant.

But women did not have matters all their own way. Quisider after outsider came up, and the bookmakers were on good terms with themselves all the afternoon. We had one winner at 20 to 1, two at 100 to 8, and the other three at 10 to 1. Bookmakers will still be grumbling that there was no business.

Several horses with Cambridgeshire liabilities were saddled for the Peveril of the Peak Plate. One of them in Poisoned Arrow obtained a place. He, however, was beaten a length by White Ant.

A notable absentee was Aclare, and Isle of Wight settled down favourite from Humpty Dumpty and Evander.

The race itself needs little description. Smirke took White Ant to the front from the outset and was not seriously troubled to dispose of the attentions of Poisoned Arrow. Paulinus was third four lengths away and Evander headed the "also ran."

# HINTS FOR TO-DAY.

There is every prospect of some interesting sport at Manchester and Windsor this afternoon. At Manchester the Autumn Breeders' Foal Plate is the chief event. Vermena forfeited an engagement at Derby in vie v of to-day's race. She is wonderfully well and will require a deal of beating.

Zareba will not be saddled for the Palatine Nursery, and I shall advocate the support of Portight.

The Royal Borough Handican is the feature

The Royal Borough Handicap is the feature of the Windsor card. Spes has a nice weight, and is expected to improve on recent form.

### Math eson the Holder in Fourth Round of Championship.

The outstanding features of yesterday's play in the

The outstanding features of yesterday's play in the boys' golf championship at Ascot, where the second and third rounds were completed, were the entry of the holder, A. D. D. Mathieson, to the fourth round; the defeat of Guy Lintott, last year's runner-up in the third stage, and the exit of the Fronch boy, P. Maneuvrier.

Mathieson's victories were scored over W. Lewis, whom he beat by 6 and 4, and P. Wilson, who was defeated by 4 and 3.

In the second round Maneuvrier's defeat came after an excellent opening by the French boy against T. H. South, who was three down with that number of holes played. South improved immensely afterwards, and at the ninth he had reduced his opponent's lead to one, eventually continuing his improvement with such effect as to place him in the third round, in which he was also triumphant.

The players who have qualified for the fourth round are: W. Greenfield, A. D. D. Mathieson, J. Bushall, T. South, A. Pirrie, Count de Borchgrave, F. McLachlan and H. Mitchell.

# PALACE BEATEN.

Coventry Win by Odd Goal of Three Newport's Success.

A fast, keen game at Coventry yesterday resulted in the City beating Crystal Palace by the odd goal of three. Toms scored for the home team in the first half and Morgan got through for the Palace. Toms scored the winning goal from a penalty twenty minutes after change of ends.

Newport County gave a surprisingly good display before their own supporters, and defeated Bristol Rovers by 4 goals to 1.

W. Edwards scored from a corner by Vaughan after thirty minutes' play. Lunn equalised a minute later. Newport were much the better side in the second half, and goals were scored by Patterson (2) and Fletcher.

In London Combination matches the Spurs won at Fulham 2—0, and Clapton Orient beat Queen's Park Rangers at Homerton 1—0.

Goodchaux. R. T. (Bobby) Jones (Atlanta) and
W. F. McPhail (Norfolk) were square at the end of
