By ROUVERIE

EIGHTY-FOUR runners at Sandown, forty-one at Derby, seventy-seven at Ripon, and thirty-eight at Chepstow made an aggregate of 240 for the day. Huge crowds went racing at the four meetings, and nine favourites were successful.

Small or large fields, there is still the hard truth that there are no certainties at racing. Oswald Bell had three winners, and Lord Derby scored a double with Ministrone and Roanoke.

Ministrone battled on with the utmost courage for Weston to win the Lonsdale Handicap at Sandown for Lord Derby. Colchis and An Apple A Day headed the market, but in a thrilling finish Buoyant and Roderick Dhu filled the minor places.

Gordon Richards rode An Apple A Day, and followers of the champion had their turn when he won the Holiday Two-Year-Old Plate on Royal Chaplain. Roman Gold was much expected to improve on his running at the previous Sandown meeting, but again he failed to finish in the first three.

Lord Derby's colours also came up on Roanoke in the Burton Plate at Derby. Roanoke had won an apprentice race at Wolverhampton last week, and he once more started at odds-on.

On the strength of his display behind Rose of England colt at Goodwood Nizami was a warm favourite for the Champion Breeders' Foal Plate. Well though he ran the Aga Khan's colt could not peg back Prize Poem filly. The race was confined to the pair during the last furlong.

Brighton Stakes to-day will see Mendicant Friar endeavouring to repeat his success of a year ago. Since winning the Summer Handicap at Lingfield, Sir A. Bailey's horse has progressed nicely, and that must put him in the thick of the fighting.

Miss Dorothy Paget holds an excellent chance in the Marine Plate with Clarapple. Epsom advises that this filly is improving with every gallop and that she is expected to follow up her Newbury victory. Belle's Yugo may be worth making a note of for a place.

Rivalry between Wheatland and Tamworth in the Breeders' St. Leger at Derby will be interesting. There does not seem to be much in it on their Goodwood form, but I shall take a chance with Lord Derby's son of Bosworth.

Felt Slipper will find opponents in the Ripon City Welter Handicap more to his liking than those he met at the Newmarket Second July.

Nizami Beaten

On the strength of his display behind Rose of England colt at Goodwood Nizami was a warm favourite for the Champion Breeders' Foal Plate. Well though he ran the Aga Khan's colt could not peg back Prize Poem filly. The race was confined to the pair during the last furlong.
