

Barrystar, the only Epsom trained horse in the Derby, going out for exercise on the Downs yesterday.

# Carioca Down to 20 to 1 STEVE'S MOUNT AT 50's

The shortening of Carioca from 25 to 1 to 20's and the knocking out of Steve Donoghue's mount, Bel Aethel, to 50 to 1 were leading features of last night's Derby call-over. Bel Aethel had previously figured at 28 to 1.

Taj Akbar and Pay Up kept their earlier positions, but both went out half a point, and as Noble King remained at 7 to 1 there is now only one point between the first three favourites.

Mrs. Shand's north country hope, Thankerton, was backed to win £10,000, and Boswell had support to win £8,000.

No come-back awaited Rhodes Scholar. Instead he went to 50 to 1, and even at those forlorn odds attracted only one bet of £20. Last night's prices were:—

6-1 Taj Akbar	33-1 Barrystar
13-2 Pay Up	33-1 Midstream
7-1 Noble King	40-1 His Grace
13-1 Boswell	40-1 Raeburn
100-7 Bala Hissar	40-1 Magnet
100-6 Mahmoud	45-1 Fearless Fox
20-1 Abje	45-1 Convert
20-1 Carioca	50-1 Bel Aethel
28-1 Thankerton	50-1 Rhodes Scholar

# Richards Makes It Eight Off the Reel

## NINTH ATTEMPT ENDS IN AN UNWANTED CAR RIDE!

By BOUVERIE

THE Derby and Gordon Richards are still twin topics in racing.

Beginning the second day at Salisbury with a record of six successive winners, Gordon carried on the good work with two more.

A driving finish did the trick on Golden Glow, and another from Miss Wilmot's stable in Minos kept the score moving—and the book-makers paying.

Then came a dramatic full stop. Richards went out on Phebus in the Salisbury Cup. He came back in a motor car!

It happened this way. With half a mile to go Phebus showed signs of distress and, realising that his mount had broken down, there was nothing for Richards to do but pull up.

After waiting for Phebus to be taken care of until a horse-float arrived, Richards jumped into a car, and returned along the road running behind the stands.

### Fifty Up To-day?

Matinal proved only good enough to get third in the Foal Stakes, but when Outbreak did the trick in the last race Richards was left with only one to get for his half-century.

That should surely come to-day at Lingfield, where among other promising mounts, Richards will be on a two-year-old that comes with the reputation of being the best of its age at Beckhampton.

This youngster's name is Rustum Mahal, and as it implies she is a daughter of Rustum Pasha and the famous "flying Mumty."

There is, of course, always a danger of a two-year-old being handicapped by inexperience first time out, but from all accounts the risk is well worth taking in the case of this young lady.

But before this race comes along I hope Gordon has got his fifty on Danesford or Hollands.

### Carioca's New Jockey

All the Derby talk at Salisbury told of an ever-growing confidence in Pay Up and the increasing faith in Carioca as the best of the outsiders.

Both horses revel in the going as it is at present, and those in close touch with the betting opine that Pay Up will start a clear favourite unless there is rain.

It is bad luck for J. Canty that an attack of tonsillitis will prevent him riding Carioca, but Marcus Marsh has soon found a good substitute in Arthur Wragg.

This young man was originally booked for Fair Play who dropped out because his final gallop showed that a good handicap was more in his line than the Derby.
