

Welcome to Shady Oaks!

HI, ALL! I'm a rather new shower showing only a few months, but I'd like to take this chance to introduce you to a few of my 'herd'... First here's 1 of my favorites:

## \*MIRAGE

(IMA BEE--B. Sumser owner x TOLAN LEO ROSE--real horse)

Why is he so special? He's my first Boswick, the Quarter Horse ib bay! He is 8 yrs. old & presently shows in hal., EP, WP & Trail. Later he'll be shown in roping & barrel racing. At his very 1st show he was Grand Champion, plus his placings were 1st-7, 3rd, beating several well-known Champions. As you can see, he's on his way to a brilliant showing career!

I'm almost bursting with pride over the purchase of TEJAS PALE FACE, because as many of you know, he's a multi-Champion Paint stallion. I'm grateful to G. Venator for selling him to me!... LEO SLASH is my newest & most promising QH stal. He's a Brey. Adios rep/rem a beautiful dk. chestnut w/hair m/t. He will soon hit the showing, so watch out!... RUSLTER'S SANTIAGO is a Brey. Adios rep. leopard App, shown in hal., WP, Trail & Harness. At his 1st show he won 1st-2, 2nd, 4th, 5th, 6th & was named Judge's Choice. As his name implies, he is sired by D. Dildine's 'The Rustler'!... FARAA'S SILVER WINGS is the PA mare rem. into a flashy trot & rep. dapple grey. Though unshown, with her style she'll go far!... My fav App mare is DUSTY BOUND, the Brey. Perf. App rep. dk. chest. w/ large blanket. She's really gorgeous!... Here I'd like to thank everyone who purchased or traded for models on my previous for sale lists. The (3) money was used to take pix & for show fees. Also a big thanks to Linda W. who runs a great MHSJ!... Also, NONE of my models are up for public service. After they've really proven themselves Champs, they'll be offered but not until then... To clear any confusion on why my address changed so much, I didn't move every month. But when my husband & I moved here, we rented a trailer. Surprise! The owner decided not to rent! There was another, which we took, in the same park. We didn't like it so bought our own. Now we're happily settled in & make no plans to move again. Thanks!

Happy Thanksgiving to you all! Dodging wild turkeys comes Anne Haines to tell us of 2 of her lovely Lefties. At Twin Eagle TB Farm are 2 Leftons, the best being \*SEAFARER'S GLORY, a chestnut stallion. He's unusual, standing 10 $\frac{1}{2}$ " at cartips & is a lovely chestnut glossy w/4 socks, star/blaze & darker m/t. The number A46 is on his stomach. He was identified as such after a long search. At his 1st show he picked up Grand, plus 2 other Champs & a few 1st's! He then went on to win Hi-Point Horse or Pony 1975 in the Hoosier Model Horse Club & Registry. He shows best in halter but also goes in EP, WP & bareback. He has many, many placings in less than a year's showing.. The other Lefton, SANDALWOOD (\*Sea, Glory x \*La Belle Reine) is a sandy bay TB colt w/4 socks, star & braided tail, short mane, standing 4 $\frac{1}{2}$ " tall, #H4871. He's unshown but has great potential. Both sound like beauties & both are long disc. I'm sure. Write in if you've got some current info on Leftons or even some older goodies. (Ed. Recently coming to light is the theory that maybe, just maybe, the companies of Lefton, Shafford & Napeo use the SAME molds to make their horse lines. In comparing KNOWN Leftons against others, they are remarkably ALIKE. If anyone can deny or confirm this theory, we'd love to hear from you. Photos I've collected show them identical! Thanks.)
