

KLA-HA-YA STABLES IS PROUD TO PRESENT OUR STALLION OF THE MONTH FOR NOVEMBER

ANSATA IBN FADJUR

Brey. PA stallion
orig. fin. Alabaster
Feb. 14, 1966
Reg. IMAR-324A

He has the best of everything: conformation, personality & foals! He has as sweet a temperament as his Valentine's Day birthday. He's gentle, yet fiery & a joy to handle, & spirited! 'Fadi' is 10 yrs. old & his greyed coat is going milky white w/lt. locks of smoke-grey left only in his m/t. That serves to make him look more noble & wise. He looks at you & you sense here is power, beauty & grace combined into the perfect horse. Plus he passes on his perfection to his get, all 3 KLA-HA-YA horses. His 1st daughter, ANSATA IBN JAFAD, has 19 show placings, 1 race placing, 2 Champs. & a Res. His 2nd daughter, ANSATA IBN WAIHAR, has 15 show placings, a race placing, 2 Champs., & a Res. His weanling son, ANSATA SHAH FADJAN (full brother to Jafad) has 2 foal race placings. Fadi himself just started showing in April & so far has 2 Arab costume placings & a 1st in racing out of 176 entries. No drawing can do him justice. He's extremely versatile: halter, EP, Park, WP, trail costume & beginning training in Dressage. This month his usual 15¢ fee is free! This is a stallion who outbreeds himself & with his bloodlines an owner can't go wrong. His pedigree as it now stands may be changed as I just heard of an Ansata Model Stables. Please, whoever you are I'm not trying to infringe upon your stallions' names, please write me so we can work things out. Will refund stamp.
