

SH RANCH PHOTOGRAPHY! *!*

We've decided to advertise our photography again as last time we had quite a few replies! All pix are 35mm outdoor & we've selected to keep it that way. All pix taken in 2 rockgardens or in neighbor's yards. This Fall many of the plants/shrubs turn red or yellow. See daigram below. I prefer you send your own horse if rep./rem. I've lots of Trad. Broyés & a few Bes. (gr. stand; foal, bay Xagal, Prancing, Palo.)

When ordering, state like PA stal. bay=2b halter; or Bes. Prancer hal.= 3a, 4e, 1d, etc. For a SASE I'll send you a pic of the rockgardens providing you return them within 2 weeks. All pix 50¢ each (hal. & perf. tack or no tack). I've tack for Clás. & Trad., west. & Eng., halter & bridles. Soon I might have an indoor studio so all your models can

have indoor or outdoor pix. Should be finished by the 1st of next year. Soon I'll have access to a beautiful pond & even more outdoor scenery. Some people are building next door & are putting in a pond. If you're interested in having some SH pix for your lovely models, write me, Sue Her-togs, 1201 W. 15th, Hastings, MN 55033. Thank you. Please follow diags.
