

GOOD MORNING! I see everyone is wide-awake & bushy-tailed just rarin' to go on our cross country ride. We'd better mount up & be on our way. Our 1st stop is at Meadowview Stables & here comes the gal who owns it, Candis McCoy. Candis is happy we stopped by to see her new foal, LADY MONARCH, who trots up to the rail eager to investigate all us 'early birds'. Lady is a remade, flocked Brey. Fam. Arab foal & is a pretty dap. gr. w/ 4 stockings, blaze & real m/t. She's now a TB & by Cast Iron Monarch x Lady Fire Ruby. She's remade so that 1 leg is slightly lifted & her neck & head slightly turned. Am sure Candis has a future Champ here!... On the road once more we see a squirrel scurry in front of us, carrying a prize acorn to his home. It isn't long until we find ourselves chatting with Rebecca Herwaldt. Humming like a bee she proudly shows us *MIRAGE, a bay Beswick QH who took Grand Ch. at his 1st show! Another QH stal. (Brey. Clas.) is MONTERAYS GOLDEN CHANCE (rep. Palo. by B. Sumser) with hair m/t. Enjoying a morning run we catch a glimpse of POCO DELL (Brey. run. mare) rep. chest. App w. large blanket. Joining in the riotous romp is SANTAMINGO (Brey. Clas. TB mare) rep. bl/wh. overo Pinto w/blk. hair m/t. Both horses are real beauties & should show well!.. Everyone ready? Mount up as we have several miles to cover. After a brief canter we slow our pace down to a nice easy walk. Just up ahead we see the sign for Shadowfax Stables. Up the drive & around the corner stands a paddock with several horses milling about. Laura Hornick waves from the tackroom window & within seconds is out to greet us. She names off several of the horses as they pass by. There is *TWILIGHT ZONE (H-R Zara rose grey), SANDSABLAZE (Revell Jumper), CLASSIC FAIR (bay Brey. Clydes.), SWEET LOVE (H-R Morgan Roughneck foal), TOP SECRET (Hart. Pinto fam. stal), EVIL WOMAN (Hart. Pinto mare), SURPRISE PACKAGE (Hart. Pinto foal), REANNA (blue/gr version of the Hart. Arab graz. mare) & MERRY MIDNIGHT (Hart. TWH foal in chest., flaxen m/t). Whow! What a nice bunch of horses! Laura has still more but we'll have to come back another day. It's time to hit the road again... No, Sally W., we can't stop at the antique store to look for metal horses! We're going on to pay a visit to new shower Beth Loukota of Milky Way Stables. Beth tells us she has added 7 new horses during her move from Florida to Nebraska. Two disc. alabaster Arabian mares are THREE STRAWS II & SMOKEY DUSTER TOO. A disc. dapple grey running foal is PAWNEE EAGLE. In a box stall stands SONOITA BLUE, the disc. App fam. stal. Right next door is the App Perf. Horse, PONDIES ROCKY ROAD. Peeking around the corner is a bay Shetland Pony named MOON TAG, and enjoying a cool drink of water is the Palomino Family mare ROSE POWER. Best of luck in the show world, Beth!.. Well, folks, ready for a morning brunch? Let's head on out for a nice rest area & munch a bunch. YUM!.. (Marlene Kosanke, 8123 W. Margaret Ln., Franklin, Wi. 53132.)
